Mumtaz Immigration Services
A mark of excellence

We fully understand the specific needs of business migrants and investors.

We can help our clients to set-up business in Germany, Spain, Austria, Hungary, Lithuania, Latvia, Estonia, Bulgaria and Czech Republic. Albeit we have the necessary expertise and contacts to assist our clients to set-up business in other countries than the ones mentioned hereinabove, however we recommend our clients to avail the easy immigration policy of the said European countries.

When applying for a business residence visa, you may be subject to certain conditions relating to the type of investment or business activity that you can undertake. We will guide you on this aspect to ensure that you remain fully compliant with the conditions of your visa, while enabling you to have maximum flexibility to pursue your desired business interest.

We work in close association with many of the major banks, investment houses, real estate agencies, accounting & legal firms and business advisors. We also work in co-operation with various government departments, trade and manufacturing organisations, chambers of commerce and professional business associations.

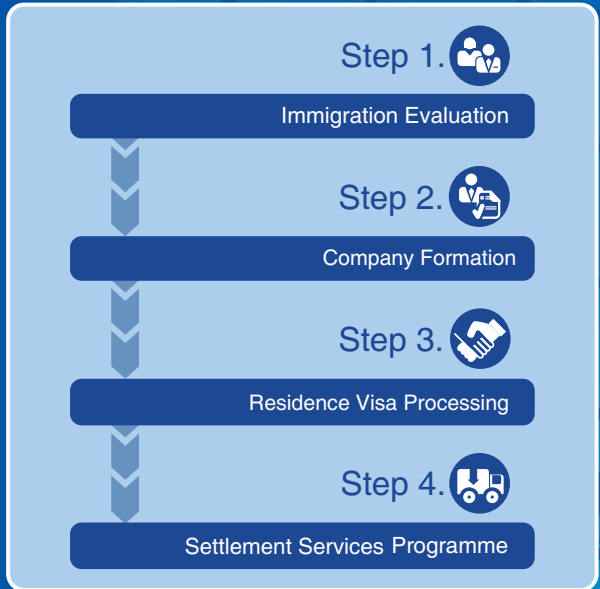

We shall assist our clients in the following areas:

- Guidance on sourcing an appropriate business for sale that will meet the immigration guidelines.
- Liaising directly with you to ascertain your business intentions and objectives.
- Answering questions as to the viability of your business idea.
- Researching laws and regulations governing the operation of your proposed business in your intended destination.
- Handling company incorporation.
- Employment contract advice and preparation.
- Assistance with new “start-up” businesses, including the establishment of bookkeeping procedures, obtaining official tax registration numbers, opening company bank accounts, and on-going business advisory and management consultancy services.
- Identifying businesses or properties listed for sale that meet your specifications together with the conditions of your residency visas.
- Assistance with due diligence and valuation/conveyancing procedures when purchasing an existing business or property.
- Guidance on complying with government overseas/foreign investment regulations when purchasing property or undertaking substantial investments.

YOUR CONSULTANT'S ROLE

Advantages of European Immigration

Free Education

One of the most important reasons of immigration to Europe is free primary education. If you want your children to get diploma of one of the most prestigious Universities all you need to do is to immigrate and make your children study till certain level. Graduating from University and getting its diploma will help your children to get good job across Europe and is recognized worldwide.

Pure Food and Beverages and Entertainment

European Consumer Departments work restlessly to ensure that quality of Food, Water and Beverages are free from contaminations. European countries environment is pristine and healthy, with scenic drives and plenty of entertainment like cinemas, theaters, parks, places to visit, boat rides and excursions.

Opportunity to find job

Highly developed economy makes situation on labor market to be good. European Union salaries are becoming higher, nowadays there are several projects controlled by European government that invite specialists from foreign countries to work and live in Europe and allow them to get permanent residence permit in short time.

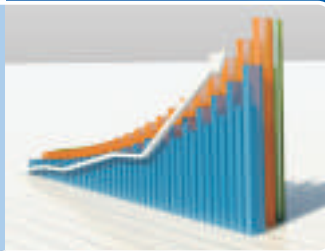

High standard of life

People of Europe have got high standard of life. There are low prices on food, clothes and entertainment. Highly developed economy, law system that protects people, makes one sure about bright and prosperous future. European medical and educational systems are highly developed. Amount of money you will spend for daily life is an important factor that defines price of immigration.

Stable Politics, Economic and Risk

Your money never leaves your control. You make the investment directly via the government approved law firm, such as ours. The money is returned to you if you do not receive the investment certificate and subsequent Permanent Residency. The Political Stability and Economic conditions facilitate business to flourish.

Free Medical

If you obtain Immigration of a European Country, you will be entitled to get Free Medical Attention in most of the European Countries. We will inform you the list of European Countries providing Free Medical attention.

Property

In our Investment Program you will own your own property portfolio. With most Government Programs you need to buy Government bonds which in this market offer below market returns for such a risky investment.

Our Service Guarantee

SERVICE GUARANTEE

Your interests are our prime concern. When it comes to the welfare of our clients, Mumtaz Immigration Services does not compromise. Our commitment to offering you an effective, professional migration consulting service is paramount and covered by this comprehensive, five-point service guarantee;

- **LIKELIHOOD OF SUCCESS:** We will only take on your case if, at the outset, there appears to be at least a reasonable likelihood of success. You will receive a frank and clear written assessment of your eligibility for residence before we agree to act for you.
- **NO RISK OF PENALTY:** We understand that your personal circumstances may change during the migration process. Therefore, if you must cancel or suspend the migration process for any reason, you may do so at any time without the risk of penalty or further charge from Mumtaz Immigration Services. In this event, you will only be responsible for the costs incurred up to the time of file closure and any unused deposit monies will be refunded to you.
- **"PAY AS YOU GO" POLICY:** Unlike others in the industry, Mumtaz Immigration Services do not charge "up-front" fixed fees. Instead, we charge on a timerecording basis, meaning that you pay on a progressive basis, as and when work is completed on your application*.

This way, you can monitor the progress of your case while ensuring that the costs are more conveniently spread over the entire application process.

- **FEE PROTECTION:** We are committed to maintaining the quality and effectiveness of our visa processing service. In the very unlikely event that you find a valid error or mistake with any aspect of our service, simply advise us, and we will put the matter right wherever realistically possible at no further cost to you in terms of our consulting fee.

MUMT
